ST THOMAS MORE

Our local hero and patron saint of this parish, St Thomas More, died a martyr on Tower Hill, near the Tower of London, on 6th July 1535. Though he opposed King Henry's defiance of the Pope; he did so out of loyalty to the Church, not any disloyalty to the king.

FIRST HOLY COMMUNION

Applications for our 2022 First Holy Communion programme are welcome from parishioners who have children in Year 3 or above in the academic year 2021-2022. The number of places available is limited. In the first instance, applications should be made to the Parish Office.

STEWARDS

We need to ensure that Covid-19 precautions at Holy Redeemer are maintained. For this we need more stewards. The only qualifications are that stewards are parishioners, aged 18 to 70 and not shielding. To volunteer, please contact the Parish Office.

VOLUNTEERS

Now that the life of the parish is getting back to normal, we also need parishioners to help out in various other ways. No experience needed, as training will be provided.

Fire Wardens: to usher people from the church in the event of a fire.

Counters: assisting in the counting and recording of the parish Sunday collection.

Readers: to read at Mass.

If you think you could help, please contact the Parish Office.

ULEZ ZONE

The Ultra- Low Emission Zone (ULEZ) is expanding from 25th October to create a larger zone, up to (but not including) the North Circular Road (A406) and South Circular Road (A205). This is part of the commitment by the Mayor and TfL to help every Londoner breathe cleaner air. Four out of five cars already meet the ULEZ emissions standards, but we owners of the remaining polluting cars need to take action. To check whether your vehicle meets the ULEZ emissions standards see tfl.gov.uk/ulez-2021

ABORTION UP TO BIRTH

Please ask your MP to vote against abortion up to birth. The abortion lobby, led by the UK's largest abortion provider, BPAS, has worked with Diana Johnson MP to bring forward an amendment to hijack the Police, Crime, Sentencing and Courts Bill to introduce abortion on demand, for any reason, up to birth, to England and Wales. This would be the single biggest change to abortion legislation since 1967 and would leave England and Wales with one of the most extreme abortion laws in the world. We are expecting that this radical proposal will be voted on by MPs on Monday. Right To Life UK has launched an easy-to-use tool that makes it simple for you to send an email to your MP asking them to vote against the motion, please see: righttolife.org.uk/StopAbortionUpToBirth
