## THE TEN MILLION

On 23 September, at 11:41am, thousands of people across the UK stopped for a minute of silence to commemorate the ten million lives that have been lost to abortion across Great Britain since the Abortion Act was introduced in 1967. Right To Life UK have released a short two-minute video called "The Ten Million", which attempts to illustrate what the UK has lost through the death of these millions of people. They are encouraging us to share the video with friends and family who may find it of interest:
